

# Curriculum Vitae

Diego Tajer

March 21, 2023

## 1 Contact information

**Name** Diego Tajer

**Date of birth** 3 April 1987

**Nationality** Argentinian

**Position** Assistant Researcher

**Institution** IIF-SADAF-CONICET

**E-mail** diegotajer@gmail.com

**Personal Website** <http://diegotajer.wordpress.com>

## 2 Education

- 2015: Doctor en Filosofía (Ph.D. in Philosophy)

**Dissertation Title** 'Logical rationality and diversity'.

**Supervisor** Eleonora Cresto.

**Date of Defense** December 2015.

**Qualification** 10, with recommendation of publication. (Best possible qualification)

**Institution** University of Buenos Aires, Faculty of Philosophy and Letters.

- 2011: Licenciado en Filosofía (B.A. in Philosophy), *summa cum laude*. University of Buenos Aires.

### 3 Teaching

- The normativity of logic. Master seminar at MCMP-LMU, Munich. Summer Semester 2021.
- Introduction to Analytic Philosophy. Universidad Adolfo Ibáñez, Chile. First semester 2022.
- Introduction to formal epistemology. Undergraduate seminar at the University of Buenos Aires. First semester of 2019.
- Teaching assistant of Non-Classical Logics, Department of Philosophy, University of Buenos Aires. First semester of 2017.
- Teaching assistant of Logic, Department of Philosophy, University of Buenos Aires, Buenos Aires, Argentina. From April 2011 up to now. (2 hours a week of lectures)

### 4 Language skills

- Spanish: Native
- English: Highly proficient in both spoken and written English.
- German: Intermediate B1 Level.
- French, Italian: Basic communication skills.

### 5 Scholarships

- Humboldt Postdoctoral Fellowship. Two-years stay at the Munich Center for Mathematical Philosophy, LMU, Munich. From December 2020 to November 2022. Academic Host: Hannes Leitgeb.
- Beca de Posdoctorado (Postdoctoral scholarship). From April 2016 to April 2018. Granted by CONICET. Research title: 'Lógica y requisitos racionales' (Logic and Rational requirements). Director: Eleonora Cresto. Co-director: Eduardo Barrio.
- Beca de Posgrado Tipo (Graduate Scholarship). From April 2011 to March 2016. Granted by CONICET. Research title: 'Pluralismo Lógico y Normatividad'. Director: Eleonora Cresto. Co-director: Eduardo Barrio.

## 6 Selected Publications

- ‘A simple solution to the collapse argument for logical pluralism’, *Inquiry*, forthcoming. Published Online: November 2022.
- ‘Anti-exceptionalism and methodological pluralism in logic’, *Synthese*, forthcoming. Published Online: May 2022.
- (with C. Fiore) ‘Logical pluralism and interpretations of logical systems’, *Logic and Logical Philosophy* 31, 2022: 1-26.
- (with E. Cresto) ‘Fair Cake-Cutting for Imitative Agents’, *Social Choice and Welfare*, 58, 2022: 801–833.
- ‘The normative autonomy of logic’, *Erkenntnis*, 87, 2022: 2661–2684.
- (with E. Barrio y L. Rosenblatt) ‘Capturing Naive Validity in a Cut-Free approach’, *Synthese* 199, 2021: 707-723.
- ‘Logic as a puzzle-solving activity’, *Análisis Filosófico* 41(1), 2021: 119-140.
- (with E. Cresto) ‘Confirmational holism and theory choice: Arrow meets Duhem’, *Mind* 519(513), 2020: 71-111.
- ‘LFIs and methods of classical recapture’, *Logic Journal of the IGPL* 28(5), 2020: 807-816.
- (with F. Pailos) ‘Validity in a dialetheist framework’, *Logique et Analyse* 60(238), 2017: 191-202.
- ‘Logic and rational requirements’, *Organon F* 23(4), 2016: 260-287.
- ‘Grounding and logical basing permissions’, *Diametros* 50, 2016: 102-117.
- (with E. Barrio and L. Rosenblatt) ‘The logics of Strict-Tolerant logic’, *Journal of Philosophical Logic* 44(5), 2015: 551-571.

## 7 Refereeing activity

I worked as a referee for many academic journals including *Australasian Journal of Philosophy*, *Philosophical Studies*, *Erkenntnis*, *Synthese*, *Journal of Philosophical Logic*, *Review of Symbolic Logic*, *Acta Analytica*, *Dialectica*, *Logic and Logical Philosophy*, *Logique et Analyse*, and *Crítica*.

## 8 Supervision

- Isis Urgell, *Negación estricta y sistemas lógicos multivaluados* (Strict negation and many-valued logical systems), BA Thesis in philosophy, University of Buenos Aires, 2019. (Co-supervisor)
- Gabriela Geminiani, *La relación entre la filosofía de Hume y la actual idea de conocimiento probable* (The relation between Hume's philosophy and the contemporary notion of probable knowledge), BA Thesis in Philosophy, University of Tres de Febrero, Argentina, 2021. (Supervisor)
- Research supervisor of Camillo Fiore, Joaquín Bardauill and Agustina Borzi. Philosophy Department of the University of Buenos Aires.

## 9 Participation in committees

- Aylen Bavosa, *Revisión lógica según el modelo AGM de cambio de creencias* (Logical revision according to the AGM belief revision model), BA Thesis in Philosophy, University of Buenos Aires, 2023.
- Agustina Borzi, *Vaguedad, Aserción y Contradicción* (Vagueness, Assertion and Contradiction), BA Thesis in Philosophy, University of Buenos Aires, 2022.
- David Moscoso, *Pluralismo Lógico* (Logical Pluralism), BA Thesis in Philosophy, University of Buenos Aires, 2019.
- Damián Szmuc, *Lógicas de la inclusión de contenido* (Logics of content inclusion), Ph.D. Thesis in Philosophy, University of Buenos Aires, 2019.

## 10 Project coordination

- *Revisionismo en Lógica* (Logical Revisionism). FiloCyT Project, granted by the University of Buenos Aires. From June 2019 until May 2021.

## 11 Recent Presentations

- ‘Pluralism, correctness, and Carnapian tolerance’, II International Symposium of Logic and Analytic Philosophy, Universidad Federal de Maranhao, November 22-25, 2022.
- ‘Derivative normativity and logical pluralism’, TuLIPS Seminar, Utrecht, November 17, 2022.
- ‘A dual theory of logical normativity’, First EuPhilo Workshop, Padova, October 27-28, 2022.
- ‘A dual theory of logical normativity’, Workshop on the Normativity of Logic, Munich, October 5-6, 2022.
- ‘Democracy, misinformation, and the knowledge of non-experts’, SAS 2022: Trust and Disinformation, Stuttgart, August 31-September 2, 2022.
- ‘Pluralism, correctness, and Carnapian tolerance’, Workshop on the Methodology of Logic, Bonn, July 25-27, 2022.
- ‘Negative reasoning and logical rules’, Workshop on Worlds and Truth-Values, Barcelona, June 23-24, 2022.
- ‘A dual theory of logical normativity’, LOGOS Colloquium, Barcelona, June 22, 2022.
- ‘A dual theory of logical normativity’, Logic4Peace, Online Event, April 22-23.
- (with Eleonora Cresto) ‘Neurotic Cake-Cutting’, Formal Ethics 2022, January 7-14, 2022. (virtual)
- ‘A simple solution to the collapse argument for logical pluralism’, IX Workshop on Philosophical Logic, SADAF, Buenos Aires, September 3-11, 2020. (virtual)

## 12 Organization

- Organizer (together with Alessandra Marra) of the first Normativity of Logic Workshop in LMU-Munich, October 5-6, 2022.

- Coordinator of the Reading Group of the Buenos Aires Logic Group: 2016/2017 (with Lucas Rosenblatt), 2018/2019 (alone), and 2020 (with Damian Szmuc).
- Co-organizer of the Reading Group on Formal Epistemology (together with Eleonora Cresto), since 2020.
- Co-organizer of V and VI Workshops on Philosophical Logic, in 2016 and 2017, Sociedad Argentina de Análisis Filosófico, Buenos Aires, Argentina.
